Gentlemen:

On October 10, 1957, we mailed you the recorded marriage record of Jack Starr and Mary Braden, dated September 13, 1957, our instrument number 197865.

While the Certificate was dated by the minister, he did not insert the date of September 13, 1957, on the third and fourth lines--the date he performed the ceremony. This was discovered by the VA which asked that it be furnished a copy which included that date. The couple brought us the original license and certificate in which the date had been given. We have recorded it under Instrument No. 198406, on October 31. However, since it is Mr. Starr's original copy, we are returning it to him.

We are bringing this to your attention since you may wish to have your record show this date. (We did not change our first recording, of course.) We can make a photocopy of the second recording and send it to you if you care to have it.

Very truly yours,

BESSIE BABCOCK,
Latah County Recorder,
